

Using ARTstor Mobile for smart phones or tablets

<http://library.artstor.org>

register with ARTstor on site (must use your williams.edu user name, but create any pw). To set up on an Iphone or Android or a tablet, follow steps as shown on page:

<http://mobile.artstor.org>

click on “help page” and follow the directions for the devices under:

Learn how to access ARTstor Mobile on Apple devices (must have Apple account)

Learn how to access ARTstor Mobile on Android devices (go to Google Play Store and download and install the ARTstor Mobile App for Android)

Flashcard function:

Access an image group

Navigation:

Open image groups/Institutional folders/ choose group from “Views” (upper right), from dropdown choose Flashcard ID image. to check your answer, touch center of image.

To return to image, touch center of image again

Touch right arrow to move to next image

May choose “shuffle” or “caption from top menu

Touch back arrow on upper left to return to group view

Hints: may use ipad or phone zoom function. Menu often “slips up” – just pull down with finger.

Try Safari; some have problems with Chrome
